

SmartVerge® Linear Dry Verge System - Verge Unions

Code: **GLV-VU**

Product Codes:

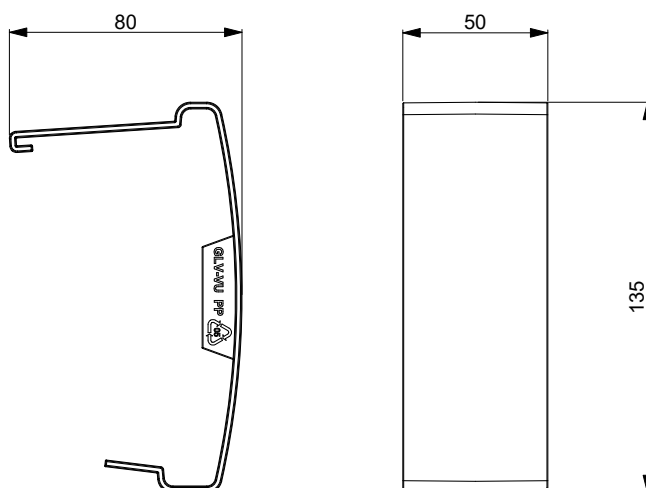

Verge Union

GLV-VU

Description:

For roofs where the bottom course tiles are tilted upwards, a **GLV-VU** Verge Union Clip should be used to join two Linear Verge Units abutting at different angles.

The Manthorpe SmartVerge® Linear Verge Union is available in Slate Grey, Black, Terracotta and Brown to compliment the full range of Linear Dry Verge Units.
